

Adams County Farmers' Market Association, Inc.
2011 Vendor Inquiry/Application Form

Thank you for your interest in the Adams County Farmers' Market Association and potentially becoming a vendor. By submitting this inquiry, you are providing our Association with information about your business which we will keep on file and contact you if we have an opening for your products at our market. **Submitting this application does not ensure a space at the market.** All vendors must undergo an approval process. Please note that space at all of our farmers' markets is limited. We cannot accept everyone that applies. **We will contact you via email if your product is approved.**

Insurance is required and food processors/bakers need to be certified with PDA.

Please provide a separate list of the products you plan to sell. **It is important to be as specific as possible including types of product, variety, expected times of availability, meats cuts, etc.** Our farmers' markets focus on promoting fresh food, farm specialty products, such as flowers, fiber, herbs, soaps, etc. Our markets are not craft or flea markets. The more information we have, the better! We make every attempt to balance the types of products at our market, so unusual varieties and unique items are a plus!
